Dear Sir:

Replying to your letter of June 1 with reference to the \$100.00 rental guarantee with a privilege of 20% I am asking for any night game, it has always been customary here to make this charge which includes everything such as lights, grounds, watchman and ticket takers but not sellers, as most of the clubs prefer having their own ticket sellers. I could also furnish this if you so desired.

It is quite an expense for me, as you know, for any game as lights are a great expense as each bulb cost \$4.00 ~~each~~ and should any of these break, and I have had ten or twelve blow out in one night, my profit is all gone.

The manager of the Baltimore Elite Giants was in talking to me and was very much in favor of playing in Richmond. The rental I was asking was very satisfactory. I believe you boys are missing a good bet by not playing in here on that date. I would like to hear from you at your earliest convenience as two small clubs want to play here every Friday and Sunday.

Yours very truly,

RICHMOND EXHIBITION COMPANY, INC.
